Translations of non-English language papers are available from the Editor at a charge of U.S. $15 per paper.

1986 Subscription Rates

For libraries, university departments, government laboratories, industrial establishments and all other multiple-reader institutions—U.S. $85.00 (including postage and insurance). Two-year rate (1986/87)—U.S. $161.50. In the interests of maximizing the dissemination of the research results published in this important international journal, we have established a two-tier price structure. Any individual whose institution takes out a library subscription may purchase a second or additional subscription for their personal use at the reduced rate of U.S. $45.00 per annum. Prices are subject to change without notice. Subscription enquiries from customers in North America should be sent to: Pergamon Journals Inc., Maxwell House, Fairview Park, Elmsford, NY 10523, U.S.A., and for the rest of the world to: Pergamon Journals Ltd., Headington Hill Hall, Oxford OX3 0BW, U.K.

Microform Subscriptions and Back Issues

Back issues of published volumes will be available in the regular editions and on microfilm and microfiche. Current subscriptions are available on microfiche simultaneously with the paper edition and on microfilm on completion of the annual index at the end of the subscription year.
